

BlueLocalSM

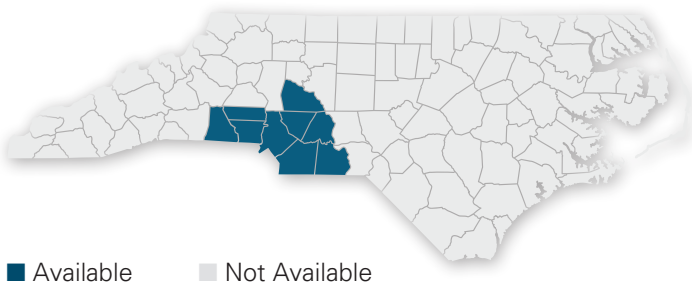

with Atrium Health

Blue Local with Atrium Health¹ is a good option if you wish to get care from Atrium Health and its affiliated doctors and hospitals. Since the majority of doctors in this plan are in the same health care system, it's easier for them to work together on your behalf.

BLUE LOCAL with Atrium Health offers:

- Atrium Health’s comprehensive regional network of doctors and hospitals.
- A provider network that includes Atrium Health Levine Children’s Hospital, which is nationally ranked in eight specialties;² Carolinas Medical Center, which was named the “Best Hospital” in the Charlotte metro region for the sixth straight year;³ and 40 hospitals and more than 1,400 care locations.⁴
- All doctors outside the Atrium Health provider network are considered out-of-network and not covered for Blue Local with Atrium Health, including: CaroMont Health, Novant Health and their affiliated providers. Out-of-network benefit coverage is not available except for emergency services, urgent care and for medically necessary covered services when an in-network provider is not reasonably available per Blue Cross NC’s access to care standards. Services from non-participating urgent care providers inside the Blue Local with Atrium Health product area are not covered.
- Out-of-state providers are also out-of-network and not covered. When traveling outside of North Carolina or the United States, only emergency services and urgent care will be covered at the in-network benefit level. All other non-emergency services will be out-of-network and not covered.
