

BlueHomeSM

with UNC Health Alliance

Blue Home with UNC Health Alliance¹ is a good option if you wish to get care from UNC Health and its affiliated doctors and hospitals. Since the majority of doctors in this plan are in the same network, it's easier for them to work together on your behalf.

BLUE HOME with UNC Health Alliance offers:

- UNC Health's network of hospitals and providers including more than 1,500 primary care providers.²
- A provider network that includes UNC Medical Center, nationally ranked in four adult and eight pediatric specialties by *U.S. News*;³ along with UNC Rex Hospital, rated by *U.S. News* as high performing in 19 adult procedures and conditions.⁴
- All doctors outside the UNC Health Alliance provider network are considered out-of-network and not covered for Blue Home with UNC Health Alliance, including: Cone Health, Duke Health and WakeMed. Out-of-network benefit coverage is not available except for emergency services, urgent care and for medically necessary covered services when an in-network provider is not reasonably available per Blue Cross NC's access to care standards. Services from non-participating urgent care providers inside the Blue Home with UNC Health Alliance product area are not covered.
- Out-of-state providers are also out-of-network and not covered. When traveling outside of North Carolina or the United States, only emergency services will be covered at the in-network benefit level. All other non-emergency services and urgent care will be out-of-network and not covered.
